

SynRay™ Loop-End Wet Mop - Narrow Band - Large

Made of 4 ply rayon fibers, the SynRay™ Loop-End Wet Mop is ideal to clean and apply wax or a floor finish product.

The SynRay™ Looped-End Wet Mop is made of professional grade rayon fibres, contains no cotton and is mould and mildew resistant. Its 4-ply yarn assembly is highly absorbent and durable. The looped-ends are attached by a tail band, making this mop machine washable. This tail band also ensures greater coverage when mopping. This SynRay™ mop produces less lint, reduces fraying and unraveling than a [cut-end mop](#). Easily attaches to the [STEP-N-GO Wet Mop Handle](#) or the [SNAP-2-GO Mop Handle](#). Pair this mop with a [40 Qt. Elephant Down Press Mop Bucket Combo](#), and you've got yourself a perfect floor cleaning system.
