

## Bug Tek Insecticide

Insecticide  
Item #BF750

### Versatile, Heavy-Duty Cleaning Performance

Bug Tek is a ready-to-use, odorless insecticide designed to kill a wide range of crawling and flying insects. Its water-based, non-flammable formula works quickly without leaving sticky residue, making it ideal for indoor and outdoor use. Safe for use around most plants when used as directed.

### Primary Applications

- Ants, cockroaches, and spiders
- Flies and other flying insects
- Indoor and outdoor pest control
- Around entryways, windows, and baseboards
- General insect treatment areas

### Recommended Dosage / Dilution

Application	Dilution
General use	Ready to use – no dilution
Insect treatment	Spray directly on insects or affected area
Preventative use	Apply to entry points and problem areas
Heavy infestation	Reapply as needed

### Basic Handling Tips

- Keep out of reach of children and animals
- Avoid contact with eyes and skin
- Use in well-ventilated areas
- Store in a cool, dry area and keep container sealed
