## Odorban HC Metered Odor Counteractant

Odour Neutralizer  
Item #AR59208K

### Versatile, Heavy-Duty Cleaning Performance

Odorban HC is a concentrated liquid deodorizer designed to neutralize and eliminate odours at the source. It can be added to cleaning solutions or used on its own to control odours in a variety of environments. Ideal for use with dispensing systems in commercial and institutional settings.

### Primary Applications

- Floors and mop buckets
- Carpets and extraction cleaning
- Washrooms and locker rooms
- Garbage areas and waste bins
- General odour control

### Recommended Dosage / Dilution

Application	Dilution
Light odour control	1:64 with water
General deodorizing	1:32 with water
Heavy odours	1:10 – 1:20 depending on severity
Carpet cleaning	Add to extraction solution

### Basic Handling Tips

- Use with a chemical dispensing system where applicable
- Dilute based on odour level
- Can be added to mop buckets or carpet solutions
- Store in a cool, dry area and keep container sealed
