

Odorban Odour Counteractant

Odour Counteractant
Item #AR59205

Versatile, Heavy-Duty Cleaning Performance

Odorban is a concentrated liquid deodorizer formulated to eliminate and control unpleasant odours at the source. Its high-yield formula neutralizes odours caused by organic matter, leaving areas fresh and clean. Designed for use in commercial, institutional, and industrial environments, Odorban is ideal for ongoing odour control and maintenance.

Primary Applications

- Garbage rooms and waste bins
- Washrooms and locker rooms
- Floors, carpets, and porous surfaces
- Smoke and organic odour removal
- General facility deodorizing

Recommended Dosage / Dilution

Application	Dilution
Light odour control	1:64 with water
General deodorizing	1:32 with water
Heavy odours	1:10 – 1:20 depending on severity
Spot treatment	Apply directly or stronger dilution

Basic Handling Tips

- Dilute with water based on odour severity
- Apply using spray, mop, or fogging equipment if applicable
- Allow dwell time for effective odour neutralization
- Store in a cool, dry area and keep container sealed
