

On The Mark Disinfectant

Disinfectant Spray
Item #AR42364

Versatile, Heavy-Duty Cleaning Performance

On The Mark is a ready-to-use stain remover designed to quickly eliminate tough marks and stains from hard surfaces. Its fast-acting formula removes ink, marker, scuff marks, adhesive residue, and other stubborn soils without damaging most finished surfaces. Ideal for routine maintenance and spot cleaning in commercial and institutional environments.

Primary Applications

- Marker, ink, and pen marks on hard surfaces
- Scuff marks on floors and walls
- Adhesive residue and tape marks
- Desks, counters, and work surfaces
- Plastics, laminates, and sealed surfaces

Recommended Dosage / Dilution

Application

General stain removal
Marker or ink marks
Adhesive residue
Heavy marks

Dilution

Ready to use – no dilution
Spray directly on stain and wipe
Spray, allow short dwell time, then wipe
Repeat application if required

Basic Handling Tips

- Spray directly onto the surface or onto a cloth
- Wipe with a clean cloth or paper towel
- Test on a small area before use on delicate surfaces
- Store in a cool, dry area and keep container tightly closed
