

SMARTER SANITATION SOLUTIONS

## Winter Rinse Away (Salt Neutralizer)

Ice Melt Residue Remover

Item #AR59214

### Versatile, Heavy-Duty Cleaning Performance

Winter Rinse Away is a specialized cleaner designed to remove ice melt residue and salt buildup from floors and surfaces. It helps prevent damage caused by winter chemicals while restoring surfaces to a clean, residue-free condition. Ideal for seasonal maintenance in commercial and institutional facilities.

### Primary Applications

- Floors exposed to ice melt and salt
- Entryways and lobbies
- Tile, concrete, and sealed floors
- Hallways and high-traffic winter areas
- General removal of winter residue buildup

### Recommended Dosage / Dilution

Application	Dilution
Light residue	1:64 with water
General cleaning	1:32 with water
Heavy buildup	1:10 – 1:20 depending on residue
Floor cleaning	Apply with mop or auto scrubber

### Basic Handling Tips

- Dilute with clean water before use
- Apply with mop, cloth, or automatic scrubber
- Allow short dwell time for heavy buildup before rinsing
- Store in a cool, dry area and keep container sealed
