

Diamond Crystal Clear Plus

Dishwashing Rinse Additive
Item #HW3101C

Versatile, Heavy-Duty Cleaning Performance

Diamond Crystal Clear Plus is a commercial dishwasher rinse additive designed to speed up drying time and reduce water spotting on dishes, glassware, and plastics. Its low-foam formula improves washing efficiency while helping deliver cleaner, streak-free results.

Primary Applications

- Commercial dishwashers
- Glassware and dishware
- Plastic containers and utensils
- Restaurants and food service facilities
- High-volume dishwashing operations

Recommended Dosage / Dilution

Application	Dilution
General use	Dispense automatically through machine
Heavy spotting	Increase feed rate as needed
Plastics	Use recommended machine setting
Commercial dishwashers	Use with dispensing equipment

Basic Handling Tips

- Use only with commercial dishwasher dispensing systems
- Follow machine manufacturer recommendations
- Do not mix with other chemicals
- Store in a cool, dry area and keep container sealed
